## Dont Be So Hard On Yourself by Jess Glynne

I came here (1) a broken heart that no one else	But I was (17) and you were wrong
could see	Been telling myself all along
I drew a smile on my face to paper over me	Don't be so hard on yourself, no
The wounds (2) and tears dry and	Learn to forgive, learn to let go
(3) they don't show	Everyone trips, everyone falls
So don't be so (4) on yourself, no	So don't be so hard on yourself, no
Let's go back to simplicity	Because I'm just tired of marching on my own
I feel like I've (5) missing me	Kind of frail, I (18) it in my bones
Was not who I'm supposed to be	Oh let my heart, my (19) turn into stone
I felt this darkness over me	So don't be so hard on yourself, no
We all get there eventually	Oh, Oh, Oh, I
I never knew (6) I belonged	I learned to wave goodbye
But I was right and you were wrong	How not to see my life
Been telling (7) all along	Through someone else's eyes
Don't be so hard on yourself, no	It's not an easy road
Learn to forgive, learn to let go	But now I'm not alone
Everyone trips, (8) falls	So I, I won't be so hard on myself no more
So don't be so hard on yourself, no	Don't be so hard on yourself, no
Because I'm (9) tired of marching on my own	Learn to forgive, learn to let go
Kind of frail, I feel it in my bones	Everyone trips, everyone falls
Oh let my heart, my (10) (11) into	So don't be so hard on yourself, no
stone	Because I'm just tired of (20) on my own
So don't be so (12) on yourself, no	Kind of frail, I (21) it in my bones
I'm standin' on top of the world, right where I wanna be	Oh let my heart, my heart turn (22) stone
So how can this dark cloud keep (13) over	So don't be so hard on yourself, no
me	Because I'm (23) tired of (24)
But hearts break and hells a place that	on my own
(14) knows	Kind of frail, I feel it in my bones
So don't be so hard on yourself, no	Oh let my heart, my heart turn into stone
Let's go back to simplicity	So don't be so hard on yourself, no
I feel like I've been missing me	
Was not who I'm supposed to be	
I felt this darkness (15) me	
We all get there eventually	
I (16) knew where I belonged
