

Fill in the gaps

They say we are what we are	I am the sand, bottom half of the hourglass
But we don't have to be	(Glass, glass)
I'm bad behaviour, but I do it in the (1) way	I'll try to (6) me without you but I can't
I'll be the watcher of the eternal flame	'Cause we could be immortals, immortals
I'll be the guard dog of all your fever dreams	Just not for long, for long
I am the sand, bottom half of the hourglass	And live (7) me forever now
(Glass, glass)	We'll pull the (8)(9)
I'll try to picture me (2) you but I can't	(10)
'Cause we could be immortals, immortals	Just not for long, for long
Just not for long, for long	We could be immor, immortals
And live with me (3) now	Immor, immortals
We'll pull the blackout curtains (4)	(immortals)
Just not for long, for long	
	And live with me forever now
We could be immor, immortals	We'll pull the blackout curtains down
Immor, immortals	
Immor, immortals	We could be immortals, immortals
Immor, immortals	Just not for long, for long
	We could be immor, immortals
Sometimes the only payoff for having any faith	Immor, immortals
Is when it's tested again and again everyday	Immor, immortals
I'm still comparing (5) past to my future	Immor, immortals
It might be your wound, but they're my sutures
