

They say we are what we are

## Fill in the gaps

But we don't have to be
I'm bad behaviour, but I do it in the best way
I'll be the watcher of the eternal flame
I'll be the guard dog of all your fever dreams
I am the sand, (1) half of the hourglass
(Glass, glass)
I'll try to picture me without you but I can't
'Cause we could be immortals, immortals
Just not for long, for long
And live with me forever now
We'll pull the blackout curtains down
Just not for long, for long
We could be immor, immortals
Immor, immortals
Immor, immortals
Immor, immortals
Sometimes the only payoff for having any faith
Is when it's tested again and again everyday
I'm still comparing your past to my future
It (2) be your wound, but
(3) my (4)

I am the sand, bottom (5) of the hourglass
(Glass, glass)
I'll try to picture me (6) you but I can'r
'Cause we could be immortals, immortals
Just not for long, for long
And live with me forever now
We'll pull the blackout curtains down
Just not for long, for long
We could be immor, (7)
Immor, immortals
(immortals)
And live (8) me forever now
We'll pull the blackout curtains down
We could be immortals, immortals
Just not for long, for long
We could be immor, (9)
Immor, immortals
Immor, immortals
Immor, immortals
