I couldn't sleep	It's the same old ship going down
Took a walk down Second Avenue	I'm going down, down, down, down
Sick of dreaming (1) that never come true	It's a two story town
One way street and I know where its leading to	One (8) to make a move now
There's a ;For Sale; sign on the front door of the city hall	The (9) are calling me out
The subway line got graffiti crawling off the wall	Guitar solo
I could take a hit but I don't want to take the fall	And me I'm just one story
That's just one side of the story	In a two story town
In (2) two story town	But you're never going to find me in the lost and found
Chorus:	Chorus:
It's (3) the same old sights	It's just the same old sights
And the (4) old sounds	And the same old sounds
I gonna take my car and drive out of this story down	I gonna take my car and drive out of this two story town
It's the same old ship going down	It's the same old ship going down
I'm going down, down, down, down	I'm going down, down, down, down
It's a two story town	It's a two story town
There's a girl that I sleep with	Chorus 2:
She's got ecstasy eyes	It's just the (10) old sights and the same old
He promised her roses and American pie	sounds
I called her and my demons	I gonna take my horse and ride him off this merry-go-round
And I kissed them both goodbye	I won't give in and I won't back down
Seven days of Monday morning	I'm going down, down, down down
In a two (5) town	I'm never going down, down, down, down, down
Chorus:	I ain't going down, down, down, down
It's just the (6) old sights	It's a two-story town
And the same old sounds	It's a two-story town (wacth me now)
I gonna take my car and (7) out of this two story
