

Fill in the gaps

From the corner of my eye	A (3) IS DUT A KISS
To the back of my mind	You'd be a (4) to want more from me
I recognize what you mean to me	And I'm gone in a while
And all the corners of our pictures	I'll be gone in a while
Are a long time afraid	I'll be (5) in a while
They still (1) what you mean to me	It's all that I do
You ask me to remember	From the corner of my eye
A kiss is but a kiss	Through the back of my mind
Well I'd be a fool to (2) more from you	I recognize what you mean to me
And I'm gone in a while	And the (6) (7) captured in
I'll be gone in a while	one kiss
I'll be gone in a while	We had and we (8) and we squander
It's all that I do	That there's more
I'll cry and you cry and we'll cry	Something more than me
Till the rain turns black	And I'm gone in a while
And the devil moves and clings to us	I'll be gone in a while
And for a moment there is beauty	I'll be gone in a while
It's not a simple yearning	It's all that I do
Sometimes it feels like it's all I've gotten	It's all that I do
It's all a dream	It's all that I do
And I ask you to remember	

Fill in the gaps
