

Where nothing ever happened?

Fill in the gaps

Hello, it's me	It's no secret
I was wondering if (1) all these years	That the both of us are running out of time
You'd like to meet, to go over everything	So, hello from the other side
They say that time's (2) to heal ya	I must've called a thousand times to tell you
But I ain't done much healing	I'm sorry, for everything (18) I've done
Hello, can you hear me?	But (19) I call you never seem to be home
I'm in California dreaming about who we used to be	Hello from the outside
When we (3) younger and free	At least I can say that I've tried to tell you
I've (4) how it felt (5)	I'm sorry, for breaking your heart
the (6) fell at our feet	But it don't matter, it clearly doesn't tear you (20)
There's such a difference between us	anymore
And a million miles	Ooooohh, anymore
Hello (7) the (8) side	Ooooohh, anymore
I must've called a thousand times to tell you	Ooooohh, anymore
I'm sorry, for everything (9) I've done	Anymore
But (10) I (11) you (12)	Hello from the other side
seem to be home	I must've called a thousand times to tell you
Hello from the outside	I'm sorry, for everything (21) I've done
At least I can say (13) I've tried to (14)	But (22) I call you never seem to be home
you	Hello from the outside
I'm sorry, for breaking (15) heart	At (23) I can say that I've tried to tell you
But it don't matter, it (16) doesn't tear you	I'm sorry, for (24) your heart
apart anymore	But it don't matter, it clearly doesn't (25) you apart
Hello, how are you?	(26)
It's so typical of me to talk about myself	
I'm sorry, I hope (17) you're well	
Did you ever make it out of that town
