

Fill in the gaps

Hello, it's me	it's no secret
I was wondering if after all these years	That the both of us are running out of time
You'd like to meet, to go over everything	So, hello from the other side
They say that time's (1) to (2)	I must've called a thousand times to (9) you
ya	I'm sorry, for everything that I've done
But I ain't done much healing	But when I call you never seem to be home
Hello, can you (3) me?	Hello from the outside
I'm in California dreaming about who we used to be	At least I can say that I've tried to tell you
When we were younger and free	I'm sorry, for breaking your heart
I've forgotten how it felt before the world (4) at our	But it don't matter, it clearly doesn't tear you apart anymore
feet	Ooooohh, anymore
There's such a difference between us	Ooooohh, anymore
And a million miles	Ooooohh, anymore
Hello from the other side	Anymore
I must've called a thousand times to tell you	Hello from the other side
I'm sorry, for everything that I've done	I must've called a thousand times to tell you
But when I call you never seem to be home	I'm sorry, for everything that I've done
Hello from the outside	But when I call you (10) seem to be home
At least I can say (5) I've tried to (6)	Hello from the outside
you	At least I can say that I've tried to tell you
I'm sorry, for breaking your heart	I'm sorry, for breaking your heart
But it don't matter, it (7) doesn't tear you	But it don't matter, it clearly doesn't tear you apart anymore
apart anymore	
Hello, how are you?	
It's so typical of me to talk about myself	
I'm sorry, I hope that you're well	
Did you (8) make it out of that town	
Where nothing ever happened?
