

## Fill in the gaps

Have you ever fed a lover with just your hands?
Close your eyes and trust it, (1) trust it
Have you ever thrown a fist full of glitter in the air?
Have you ever looked fear in the face
And said I (2) don't care?
And it's only half past the point of no return
The tip of the iceberg
The sun before the burn
The thunder before the lightning
Breath before the phrase
Have you ever (3) (4) way?
Have you ever hated yourself for staring at the phone?
You're whole life waiting on the ring to prove you're not alone
Have you ever been touched so gently you had to cry?
Have you ever invited a stranger to (5) inside?
It's only half past the (6) of oblivion
The hourglass on the table

The walk before the run	
The breath before the ki	ss
And the fear before the	flames
Have you (7)	felt this way?
La la la la la la la	
There you are, sitting in	the garden
Clutching my coffee,	
Calling me sugar	
You (8)	me sugar
Have you ever wished for	or an endless night?
Lassoed the moon and	the stars and pulled that rope tight
Have you (9)	held your breath and asked yourself
Will it ever get better (1	0) tonight?
Tonight
