

Fill in the gaps

They say we're young and we don't know	Then put your little (5) in mine
We won't find out until we grow	There ain't no (6) or (7) we
Well I don't know if all that's true	can't climb
'Cause you got me, and (1) I got you	Babe
Babe	I got you babe
I got you babe	I got you babe
I got you babe	I got you to hold my hand
They say our love won't pay the rent	I got you to understand
Before it's earned, our money's all (2) spent	I got you to walk with me
I (3) that's so, we don't have a pot	I got you to talk with me
But at least I'm (4) of all the things we got	I got you to (8) goodnight
Babe	I got you to (9) me tight
I got you babe	I got you, I won't let go
I got you babe	I got you to love me so
I got flowers in the spring	I got you babe
I got you to wear my ring	I got you babe
And when I'm sad, you're a clown	I got you babe
And if I get scared, you're always around	I got you babe
Don't let them say your hair's too long	I got you babe
'Cause I don't care, with you I can't go wrong
