

## Fill in the gaps

They say we're (1) and we don't know	Then put your (5) (6)	in mine
We won't find out (2) we grow	There ain't no hill or (7)	we can't climb
Well I don't know if all that's true	Babe	
Cause you got me, and baby I got you	I got you babe	
Babe	I got you babe	
I got you babe	I got you to hold my hand	
I got you babe	I got you to understand	
They say our love won't pay the rent	I got you to walk (8) me	
Before it's earned, our money's all been spent	I got you to talk (9) me	
I guess that's so, we don't have a pot	I got you to kiss goodnight	
But at least I'm sure of all the things we got	I got you to (10) me tight	
Babe	I got you, I won't let go	
I got you babe	I got you to (11) me so	
I got you babe	I got you babe	
I got flowers in the spring	I got you babe	
I got you to wear my ring	I got you babe	
And (3) I'm sad, you're a clown	I got you babe	
And if I get scared, you're (4) around	I got you babe	
Don't let them say your hair's too long		
'Cause I don't care, with you I can't go wrong
