

Fill in the gaps

The snow glows white on the mountain tonight	No right, no wrong, no rules for me
Not a footprint to be seen	I'm free!
A kingdom of isolation, and it looks like I'm the queen	Let it go, let it go
The wind is howling (1) this swirling storm inside	I am one (7) the wind and sky
Couldn't keep it in, heaven knows I've tried	Let it go, let it go
Don't let them in, don't let them see	You'll never see me cry
Be the (2) girl you always have to be	Here I stand
Conceal, don't feel, don't let them know	And here I'll stay
Well now (3) know	Let the storm rage on
Let it go, let it go	My (8) flurries through the air into the ground
Can't hold it back anymore	My soul is spiraling in frozen fractals all around
Let it go, let it go	And one thought crystallizes like an icy blast
Turn away and slam the door	I'm (9) going back, the past is in the past
I don't care (4) they're (5) to say	Let it go, let it go
Let the storm rage on	And I'll rise like the break of dawn
The cold never bothered me anyway	Let it go, let it go
It's funny how some distance	That perfect girl is gone
Makes everything (6) small	Here I stand
And the fears that once controlled me	In the light of day
Can't get to me at all	Let the storm (10) on
It's time to see what I can do	The cold never bothered me anyway
To test the limits and break through
