

Fill in the gaps

The snow glows white on the mountain tonight	No right, no wrong, no rules for me
Not a footprint to be seen	I'm free!
A kingdom of isolation, and it (1)(2)	Let it go, let it go
I'm the queen	I am one with the wind and sky
The (3) is howling like (4) swirling storm	Let it go, let it go
inside	You'll never see me cry
Couldn't keep it in, heaven knows I've tried	Here I stand
Don't let them in, don't let them see	And here I'll stay
Be the (5) girl you always have to be	Let the storm rage on
Conceal, don't feel, don't let them know	My power (16) through the air into the
Well now (6) know	ground
Let it go, let it go	My soul is (17) in frozen
Can't (7) it back anymore	(18) all around
Let it go, let it go	And one (19) crystallizes like an icy blast
Turn (8) and (9) the door	I'm (20) going back, the past is in the past
I don't care what they're going to say	Let it go, let it go
Let the storm (10) on	And I'll rise (21) the break of dawn
The cold never (11) me anyway	Let it go, let it go
It's funny how some distance	That perfect girl is gone
Makes (12) small	Here I stand
And the fears (14) once controlled me	In the light of day
Can't get to me at all	Let the storm rage on
It's time to see (15) I can do	The (22) never bothered me (23)
To test the limits and break through
