

Fill in the gaps

[Jade:]	(Know that right here, right now)
She lives in the shadow of a (1) girl	You gotta (12) up, you (13) shout
Voice so quiet you don't hear a word,	out,
Always talking but she can't be heard,	And know (14) (15) here, right now,
Leigh- Anne:]	You can be beautiful, wonderful,
You can see there if you catch her eye,	Anything you wanna be, oh,
know she's brave but it's trapped inside,	Little me
Scared to talk but she don't (2) why,	Little me, yeah
Wish I (3) back then	[Leigh-Anne:]
What I know now.	Tell you one (16) I would say to her
Nish I (4) somehow	[All:]
Go back in time and maybe (5) to my own	I'd tell her to speak up, tell her to shout out,
advice.	Talk a bit louder, be a bit prouder,
'd tell her to speak up, (6) her to shout out,	Tell her she's beautiful, wonderful,
Talk a bit louder, be a bit prouder,	Everything she doesn't see.
Tell her she's beautiful, wonderful,	(You got to) you gotta speak up, (You got to) you gotta
Everything she doesn't see,	(17) out,
You gotta (7) up, you gotta shout out,	And know (18) right here, (19) now,
And (8) that right here, right now,	You can be beautiful, wonderful,
You can be beautiful, wonderful,	Anything you (20) be,
Anything you wanna be,	Little me
Jesy:]	I'd tell her to (21) up, (22) her to
Little me	shout out,
Yeah, you got a lot of time to act your age,	Talk a bit louder, be a bit prouder,
You can't write a book from a single page,	Tell her she's beautiful, wonderful,
Hands on the clock only turn one way,	Everything she doesn't see.
(Yeah)	You (23) up, you
Perrie:]	(25) shout out,
Run too fast and you'll risk it all,	And know that right here, (26) now,
Can't be (9) to take a fall,	You can be beautiful, wonderful,
Felt so big but she looks so small,	Anything you wanna be,
Wish I (10) (11) then	I'd tell her to speak up, tell her to shout out,
What I know now.	Talk a bit louder, be a bit prouder,
Wish I could somehow	Tell her she's beautiful, wonderful,
Go back in time and maybe listen to my own advice.	Everything she doesn't see.
'd tell her to speak up, tell her to shout out,	You gotta speak up, you gotta shout out,
Talk a bit louder, be a bit prouder,	And know that right here, right now,
Tell her she's beautiful, wonderful,	You can be beautiful, wonderful,
Everything she doesn't see.	Anything you wanna be,
	Little me
