Fill in the gaps

After The Love Has Gone by Earth, Wind & Fire

For awhile, to love was all we could do	Till sadness was all we shared
We (1) young and we knew	We (14) scared
In our eyes were alive	This affair would (15) our love into
Deep inside we knew our (2) was true	Something happened along the way
For awhile, we paid no (3) to the past	Yesterday was all we had
We knew (4) would last	Something happened along the way
Every night, (5) right	What used to be happy is sad
Would invite us to begin the day	Something happened along the way
Something happened along the way	Yesterday was all we had
What used to be happy was sad	And, oh, after the (16) has gone
Something happened (6) the way	How (17) you lead me on
And yesterday was all we had	And not let me stay around?
And, oh, after the (7) has gone	Oh, oh, oh, after the (18) has gone
How could you lead me on	What (19) to be right is wrong
And not let me stay (8) ?	Can (20) that's (21) be found?
Oh, oh, oh, after the (9) has gone	Oh, oh, oh, oh, oh
What used to be right is wrong	After the love has gone
Can love that's lost be found?	What (22) to be right is wrong
For awhile, to (10) each other with all	Can love that's lost be found?
We would (11) need	Oh, oh, oh, oh, oh
Love was strong for so long	After the (23) has gone
Never (12) that (13) was	What used to be right is wrong
Wrong, oh, baby, wasn't right	Can love that's lost be found?
We tried to find what we had
