

Without you, without you

Fill in the gaps

Without You (ft. Usher) by David Guetta

I can't win, I can't reign		I can't quit now, this can't be right
I will (1) win this game		I can't (4) one more (5)
Without you, without you		night
I am lost, I am vain,		Without you, without you
I will never be the same		I won't soar, I won't climb
Without you, without you		If you're not here, I'm paralyzed
I won't run, I won't fly		Without you, (6) you
I (2) never make it by		I can't look, I'm so blind
Without you, without you		I (7) my heart, I lost my mind
I can't rest, I can't fight		Without you
All I need is you and I		Without you
Without you		Oh, oh, oh!
Without you		You! You! You!
Oh, oh, oh!		Without
You! You! You!		You! You! You!
Without		Without you
You! You! You!		I am lost, I am vain,
Without you		I (8) never be the same
Can't erase, so I'll take blame		Without you, without you
But I can't accept (3) we're es	stranged	Without you
