

## Fill in the gaps

Take a breath	That if you fall, stumble down
I pull myself together	I'll pick you up off the ground
Just another step (1) I (2) the door	If you lose faith in you
You'll never know the way it tears me up (3)	I'll give you strength to pull through
to see you	Tell me you won't give up cause I'll be waiting if you fall
I wish that I could tell you something	Oh you (17) I'll be (18) for you
To take it all away	(Ahahaha)
Sometimes I wish I could save you	If only I could find the answer
And there're so many things (4) I (5)	To (19) it all away
you to know	Sometimes i (20) i could save you
I won't give up till it's over	And there're so (21) (22) that
If it takes you forever I want you to know	want you to know
When I hear your voice	I (23) it's over
Its drowning in a whisper	If it (26) you forever I want you to know
It's just skin and bones	(Oh)
There's nothing left to take	I wish I could save you
And no matter what I do I can't (6) you feel better	I want you to know
If (7) I (8) find the answer	(Ohohh)
To (9) me understand	I wish I could save you (oh)
Sometimes I wish I (10) save you	
And there're so many (11) (12) I	
(13) you to know	
I wont give up (14) it's over	
If it (15) you forever I (16) you to	
know
