

## Fill in the gaps

Take a breath	That if you fall, stumble down
I pull myself together	I'll pick you up off the ground
Just another step till I reach the door	If you lose faith in you
You'll never know the way it (1) me up	I'll give you strength to pull through
(2) to see you	Tell me you won't give up cause I'll be waiting if you fall
I wish that I could tell you something	Oh you know I'll be there for you
To take it all away	(Ahahaha)
Sometimes I (3) I could save you	If only I could (7) the answer
And there're so (4) things that I want you to know	To (8) it all away
I won't give up till it's over	Sometimes i wish i could save you
If it takes you forever I want you to know	And there're so many things that I want you to know
When I hear (5) voice	I wont give up till it's over
Its drowning in a whisper	If it takes you (9) I want you to know
It's just skin and bones	(Oh)
There's nothing left to take	I wish I could save you
And no matter what I do I can't make you feel better	I want you to know
If only I could find the answer	(Ohohh)
To help me understand	I wish I could save you (oh)
Sometimes I wish I could save you	
And there're so many things that I want you to know	
I wont (6) up till it's over	
If it takes you forever I want you to know
