I've tried playing it cool		Get out, get out of my head
Girl when I'm (1)	at you	And fall (7) my arms instead
I can never be brave		I don't, I don't, don't know what it is
Cuz you (2) my heart race		But I need that One Thing
Shot me out of the sky		So!
You're my kryptonite		Get out, get out of my mind
You keep making me weak		And c'mon, come in into my life
Yeah frozen and can't breath		I don't, I don't, don't know what it is
Some things gotta get loud		But I (8) (9) One Thing
Cause if not, they just don't (3)	you see	Yeah, you've got that One Thing
That I need you here with me now		Oh-whoa Oh-whoa oh. Oh-whoa.
Cuz you've got that One Thing		You've got that One Thing
So!		Get out, get out of my head
Get out, get out of my head	d	I'm falling to my arms instead
And fall into my arms instead		So!
I don't, I don't, don't know what it is		Get out, get out of my head
But I need that One Thing		I'm falling to my arms instead
Yeah, you've got that One Thing		I don't, I don't, don't know what it is
Now I'm climbing the walls		But I need (10) One Thing
But you don't notice at all		So!
That I'm going out of my mind		Get out, get out of my mind
All day and all night		(Out of my mind)
Some things gotta get loud		And c'mon, come in into my life
Cuz I'm dying just to (4)	(5) name	I don't, I don't, don't know what it is
And I need you here (6)	me now	But I need that One Thing
Cuz you've got that One Thing		Yeah, you've got that One Thing
So!
