

Fill in the gaps

've tried playing it cool	Get out, get out, get out of my head
Girl when I'm looking at you	And fall into my (5) instead
can never be brave	I don't, I don't, don't know (6) it
Cuz you make my (1) race	But I need that One Thing
Shot me out of the sky	So!
You're my kryptonite	Get out, get out, get out of my mind
You keep making me weak	And c'mon, (7) in into my life
Yeah frozen and can't breath	I don't, I don't, don't know what it is
Some things gotta get loud	But I need that One Thing
Cause if not, they just don't make you see	Yeah, you've got that One Thing
That I need you here with me now	Oh-whoa Oh-whoa oh. Oh-whoa.
Cuz you've got that One Thing	You've got that One Thing
So!	Get out, get out, get out of my head
Get out, get out, get out of my head	I'm falling to my arms instead
And (2) into my arms instead	So!
don't, I don't, don't know what it is	Get out, get out, get out of my head
But I (3) that One Thing	I'm falling to my arms instead
Yeah, you've got that One Thing	I don't, I don't, don't (8) what it i
Now I'm climbing the walls	But I need that One Thing
But you don't notice at all	So!
That I'm going out of my mind	Get out, get out, get out of my mind
All day and all night	(Out of my mind)
Some things gotta get loud	And c'mon, come in into my life
Cuz I'm (4) just to know your name	I don't, I don't, don't know what it is
And I need you here with me now	But I need that One Thing
Cuz you've got that One Thing	Yeah, you've got (9) One Thing
So!	

Fill in the gaps

- 1. heart
- 2. fall
