

Fill in the gaps

'What we've got (1) is failure to communication	ate.	I don't need your civil war
Some men you just can't reach.		Look at the shoes you're filling
So, you get (2) we had here (3)	week,	Look at the blood we're spilling
which is the way he wants it.		Look at the world we're killing
Well, he gets it. I don't like it		The way we've always done before
any more than you men.'		Look in the (14) we've wallowed
Look at your young men fighting		Look at the leaders we've followed
Look at your women crying		Look at the lies we've swallowed
Look at your young men dying		And I don't want to hear no more
The way they've always done before		My hands are tied
Look at the hate we're breeding		For all I've (15) has (16) my
Look at the fear we're feeding		mind
Look at the lives we're leading		But still the wars go on as the years go by
The way we've (4) done before		With no love of God or (17) rights
My hands are tied		'Cause all (18) dreams are swept aside
The billions shift from (5) to side		By bloody hands of the hypnotized
And the wars go on with brainwashed pride		Who (19) the cross of homicide
For the love of God and our human rights		And history bears the scars of our (20) wars
And all these things are swept aside		We practice selective annihilation
By bloody (6) time can't deny		Of mayors and government officials
And are washed away by your genocide		For example to create a vacuum
And history hides the (7) of our (8)		Then we fill that vacuum
wars		As popular war advances
Did you wear a (9) armband		Peace is closer
When they shot the man		I don't need your civil war
Who said 'Peace could last forever'		It feeds the rich while it buries the poor
And in my (10) memories		Your power hungry sellin' soldiers
They shot Kennedy		In a human grocery store
I went numb when I (11) to see		Ain't that fresh
So I never fell for Vietnam		And I don't need your civil war
We got the wall of D.C. to remind us all		I don't need your civil war
That you can't trust freedom		I don't need your civil war
When it's not in your hands		Your power hungry sellin' soldiers
When everybody's fightin'		In a (21) grocery store
For (12) promised land		Ain't that fresh
And		I don't (22) your (23) war
I don't need your civil war		I don't need one more war
It feeds the rich (13) it buries the poor		I don't need one more war
Your power hungry sellin' soldiers		What's so (24) 'bout war anyway
In a human grocery store		
Ain't that fresh
