## All The Things She Said by Simple Minds

Don't you (1) back on a big lost world	You've fought the fight so long, no surrender to temptation
Crying out tomorrow	Of all the things she said, she said
Don't you look down like the (2) say	Stars will fall out for you
Come tell me all about it	Luck will surrender
Take me to the streets (3) the bonfires burn	I'm calling out to you
Take me in your arms and I'll fade away	Oh to be near you in the (8) morning light
When I hear you say what you got to say	I'd be with you, I dream about you
Anywhere you go, you know I'll (4) be waiting	If I could (9) here, I would leave here tonight
All the things she said, she said	I'd be with you, I'd stay with you tonight
Little darling close your eyes, there'll be no compromising	Tonight
Of all the things she said, she said	Anywhere you go, you know I'll still be waiting
Throw me to the street where the heartbeats beating	Of all the things she said, she said
'Beating all around me'	When I look into your eyes, I see a new day rising
To the peaceful revolution	Oh all the (10) she said, she said
And the perfect wave, surround me	Through the eyes of love, and to never know what hate is
Tell me 'bout the ocean moving in slow motion	Of all the things she said, she said
I see it glitter in the sun	She said, this is our time, she said, this is our place
Then it's freezing in the moonlight	This is the space my heart wants to be
Never (5) back, never look back, never look away	Little darling close your eyes, there'll be no compromising
If (6) comes and goes, you know I'll still be	All the things she said, she said
waiting
