Fill in the gaps

Even In The Quietest Moments by Supertramp

Even in the quietest moments	But (15) the (16) keep falling
I wish I knew what I had to do	They're (17) (18) the sky
And even (1) the sun is shining	Well there's a lot of me got to go under before I get high
Well I (2) the rain here it (3) again,	Don't you let the sun disappear
dear	Don't you let the sun disappear
And (4) when you showed me	Don't you let the sun be leaving
My heart was out of tune	No, you can't be leaving my life
For there's a shadow of (5) that's not	Say (19) you won't be leaving my life
(6) me find you too soon	Say that you won't be (20) my life
The music that you gave me	Say won't you please, stay won't you please
The (7) of my soul	Say won't you please, stay won't you please
Oh Lord, I (8) to be with you.	Lord, won't you (21) and get into my life
Won't you let me (9) in (10) the cold?	Lord, won't you come and get into my life
Don't you let the sun fade away	Say won't you please, stay won't you please
Don't you let the sun fade away	Say won't you please, (22) won't you please
Don't you let the sun be leaving	Lord, don't go
Won't you (11) to me soon	And even (23) the song is over
And even though the stars are listening	Where have I been was it just a dream?
And the ocean's deep, I just go to sleep	And though your (24) is always open
And (12) I create a silent movie	Where do I (25) may I please come in, dear?
You become the star, is that what you are, dear?	
Your whisper (13) a secret	
Your laughter brings me joy	
And a wonder of feeling I'm Nature's own (14)	
boy
