

Fill in the gaps

No woman no cry	Said I remember when we use to sit
No woman no cry	In the government yard in trenchtown
No woman no cry	And (6) georgie would make the fire light
No (1) no cry	I seh, log would burnin' through the nights
Cause I (2) (3) we used to sit	Then we would cook cornmeal porridge
In a government yard in trenchtown	Of (7) I'll share (8) you
Observing the hypocrites	My (9) is my only carriage
Mingle with the good people we meet	And so I've got to push on thru,
Good friends we have, oh, good (4) we	Oh, while I'm gone
have lost	Everything 's gonna be alright
Along the way	Everything 's gonna be alright
In (5) great future,	No woman no cry
You can't forget your past	No woman no cry
So dry your tears, I say	I seh (10) darlin'
No woman no cry	Don't shed no tears
No woman no cry	No woman no cry.
Little darling, don't shed no tears	
No woman no cry
