Fall At Your Feet by Crowded House

Fill in the gaps

I'm really (1) tonight
And I feel like I'm moving inside her
Lying in the dark
I think that I'm (2) to know her
Let it go
I'll be there when you call
Whenever I fall at your feet
And you let your tears rain down on me
Whenever I (3) your slow turning pain
You're hiding from me now
There's something in the way that you're talking
The words don't sound right
But I (4) (5) all moving inside you
Go, I'll be waiting when you call
Whenever I fall at your feet
And you let your tears rain down on me
Whenever I touch your slow turning pain
The finger of blame has turned upon itself
And I'm (6) than (7) to (8) myself
Do you want my presence or need my help
Who knows where that might lead
I fall at your feet
And you let your (9) rain down on me
Whenever I fall
