

Fill in the gaps

I sit and wait	And as the feeling grows
does an angel contemplate my fate	She (5) flesh to my bones
And do they know	And when love is dead
The places where we go	I'm loving angels instead
When we're (1) and old	And through it all she offers me protection
'cause I have been told	A lot of love and affection
That salvation lets their wings unfold	Whether I'm right or wrong
So when I'm lying in my bed	And down the waterfall
Thoughts running through my head	Wherever it may take me
And I feel that love is dead	I know that life won't (6) me
I'm loving angels instead	When I come to call
And (2) it all she offers me protection	She won't forsake me
A lot of (3) and affection	I'm loving angels instead
Whether I'm right or wrong	(Instrumental)
And down the waterfall	And (7) it all she offers me protection
Wherever it may take me	A lot of love and affection
I know that (4) won't break me	Whether I'm right or wrong
When I come to call	And (8) the waterfall
She won't forsake me	Wherever it may take me
I'm loving angels instead	I know that life won't break me
When I'm feeling weak	When I (9) to call
And my pain walks down a one way street	She won't forsake me
I look above	I'm loving angels instead
And I know I'll always be blessed with love
