

Angels by Robbie Williams

I sit and wait
does an angel contemplate my fate
And do they know
The places where we go
When we're grey and old
'cause I have been told
That salvation lets their wings unfold
So when I'm lying in my bed
Thoughts running (1)_____ my head
And I feel that love is dead
I'm loving angels instead
And through it all she offers me protection
A lot of love and affection
Whether I'm right or wrong
And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call
She won't forsake me
I'm loving angels instead
When I'm (2)_____ weak
And my pain walks (3)_____ a one way street
I (4)_____ above
And I know I'll always be blessed with love

Fill in the gaps

And as the feeling grows
She brings flesh to my bones
And when love is dead
I'm loving angels instead
And through it all she offers me protection
A lot of love and affection
Whether I'm right or wrong
And down the waterfall
Wherever it may take me
I know that life won't break me
When I (5)_____ to call
She won't (6)_____ me
I'm loving angels instead
(Instrumental)
And through it all she offers me protection
A lot of love and affection
Whether I'm right or wrong
And (7)_____ the waterfall
Wherever it may take me
I know (8)_____ life won't (9)_____ me
When I come to call
She won't forsake me
I'm loving angels instead
