

Fill in the gaps

I'm tearing up, (1) face
Move dust through the light
To fide (3) name
It's something fane
This is not a place
Not yet awake, I'm (4) of make
Still alive whi you, love
Still alive whi you, love
Still (5) who you, love
In a (6) out a moth
Furling forests, for the soft
Gotta know (7) (8) aloft
So I'm ridding all your stories
What I know, what it is, is (9) it up!
You're breaking your ground
