

Fill in the gaps

You would not believe your eyes	(Please take me away from here)
If ten million fireflies	Why do I tire of counting sheep?
Lit up the world as I fell asleep	(Please take me away from here)
'Cause they fill the open air,	When I'm far too tired to fall asleep
And leave teardrops everywhere	To ten million fireflies
You'd think me rude, but I would just stand and stare	I'm weird 'cause I hate good-byes
I'd like to make myself believe	I got misty eyes as they (4) farewell (they
That planet Earth (1) slowly	(5) farewell)
It's hard to say that I'd rather stay (2) when I'm	But I'll know where several are
asleep	If my (6) get real bizarre
'Cause everything is never as it seems	'Cause I saved a few and I keep (7) in a jar(jar, jar,
'Cause I get a thousand hugs	jar)
From ten thousand lightning bugs	I'd like to make myself believe
As they try to teach me how to dance	That planet Earth turns slowly
A foxtrot above my head,	It's hard to say that I'd rather stay awake when I'm asleep
A sock hop beneath my bed,	'Cause everything is never as it seems (when I fall asleep)
A disco ball is just hanging by a thread (thread, thread)	I'd like to make myself believe
I'd like to make myself believe	That planet (8) turns slowly
That planet Earth turns slowly	It's hard to say that I'd rather stay awake when I'm asleep
It's hard to say (3) I'd rather stay awake when I'm	'Cause everything is never as it seems (when I fall asleep)
asleep	I'd (9) to make myself believe
'Cause everything is never as it seems (when I fall asleep)	That planet Earth turns slowly
Leave my door open just a crack	It's hard to say that I'd rather stay awake when I'm asleep
(Please take me away from here)	Because my dreams are bursting at the seams
'Cause I feel like such an insomniac
