

## Fill in the gaps

You would not believe your eyes	(Please take me away from here)
If ten million fireflies	Why do I tire of counting sheep?
Lit up the world as I (1) asleep	(Please take me away from here)
'Cause they fill the open air,	When I'm far too tired to fall asleep
And leave teardrops everywhere	To ten million fireflies
You'd think me rude, but I would just stand and stare	I'm weird 'cause I hate good-byes
I'd like to (2) myself believe	I got misty eyes as they said farewell (they said farewell)
That planet Earth turns slowly	But I'll know where several are
It's (3) to say that I'd rather stay awake when I'm	If my dreams get real bizarre
asleep	'Cause I saved a few and I keep (6) in a jar(jar, jar,
'Cause everything is never as it seems	jar)
'Cause I get a (4) hugs	I'd like to make myself believe
From ten thousand lightning bugs	That planet Earth turns slowly
As they try to teach me how to dance	It's hard to say that I'd rather stay awake when I'm asleep
A foxtrot above my head,	'Cause everything is never as it seems (when I fall asleep)
A sock hop beneath my bed,	I'd (7) to make myself believe
A disco ball is just hanging by a thread (thread, thread)	That planet Earth turns slowly
I'd like to make myself believe	It's hard to say that I'd rather stay awake when I'm asleep
That planet Earth turns slowly	'Cause everything is never as it seems (when I (8)
It's hard to say (5) I'd rather stay awake when I'm	asleep)
asleep	I'd like to make myself believe
'Cause everything is never as it seems (when I fall asleep)	That planet Earth turns slowly
Leave my door open just a crack	It's hard to say that I'd rather (9) awake when I'm
(Please take me away from here)	asleep
'Cause I feel like such an insomniac	Because my dreams are bursting at the seams
