

Fill in the gaps

Don't you cherish me to sleep			
Never keep (1) eyelids clipped			
Hold me for the pops and clicks			
I was only for the father's crib			
Hair, old, long along			
Your neck onto your shoulder blades			
Always keep that message taped			
Cross (2) breasts you won't erase			
I was only for (3) very space			
Hip, under nothing			
Propped up by your other one, face 'way from the sun			
Just (4) to keep a dialogue			
Teach our bodies: haunt the cause			
I was only trying to spell a loss			
Joy, it's all founded			
Pincher with the skin inside			

You pinned me with (5)	(6)	sphere	
eyes			
You know that all the rope's untied			
I was only for to die beside			
So it?;s storming on the lake			
Little waves our bodies break			
There's a fire going out,			
But there's really (7)	_ to the south		
Swollen orange and (8)	let through		
Your one piece (9)	stuck to you		
Sold, I'm Ever			
Open ears and open eyes			
Wake up to your starboard bride			
Who goes in and then stays inside			
Oh the demons come, they can subside
