

## Fill in the gaps

If I had eyes in the (1) of my head	We were victims together but lonely
I would (2) told you that	You got hungry eyes that just can't look forward
You looked good	Can't give them enough but we (9) can't start over
As I walked away	Building with (10) nails we're
And if you could've tried to (3) the (4)	falling but holding, I don't wanna take up anymore of your time
(5) fed	Time time time
You would've never been hungry	Sometimes time doesn't heal
But you never really be	No not all
The more of (6) or less of this or is there any	Just stand still
difference	While we fall
or are we just (7) onto the things we don't	In or out of love again I doubt I'm gonna win you back
have anymore	When you got eyes like that
Sometimes time doesn't heal	It won't let me in
No not at all	Always looking out
Just stand still	Always lookin'
While we fall	
In or out of love again I doubt I'm gonna win you back	
When you got eyes like that	
It won't let me in	
Always looking out	
Lot of people (8) their time just floating	

- 1. back
- 2. have
- 3. trust
- 4. hand
- 5. that
- 6. this
- 7. holding
- 8. spend
- 9. just
- 10. bent
