When The Sun Goes Down by Arctic Monkeys

Who's that girl there?		I start to wonder what his story might be, what his story might
I wonder what went wrong		be
So that she had to roam the streets		They (6) it changes when the sun goes down
She don't do major credit cards		Around here
I (1) she does receipts		Look here comes a Ford Mondeo
It's all not (2) legitimate		Isn't he Mister Inconspicuous?
And what a scummy man		And he don't have to say 'owt
Just give him (3) a chance		She's in the stance ready to get picked up
I bet he'll rob you if he can		Bet she's delighted when she sees him
Can see it in his eyes,		Pulling in and giving her the eye
That he's got a driving ban		Because she must be (7) freezing
Amongst some other offences		Scantily clad beneath the clear night sky
And I've seen him with girls of the night		It don't stop in the winter, no
And he told Roxanne to put on her red light		They said it changes (8) the sun goes down
They're all infected but he'll be alright		Around here
Cause he's a scumbag, don't you know		They said it changes when the sun goes down
I said he's a scumbag, don't you know!		Over the river going out of town
Although you're trying not to listen		They said it changes when the sun goes down
Avert your eyes and staring at the ground		Around here
She (4) a subtle proposition		What a scummy man
"I'm sorry love I'll have to turn you down"		Just (9) him half a chance
He must be up to summat		I bet he'll rob you if he can
What are the (5)	sure it's more than likely	Can see it in his eyes that he's got a nasty plan
I've got a feeling in my stomach		I hope you're not involved at all
