## When The Sun Goes Down by Arctic Monkeys

Who's (1) girl there?	I start to wonder what his story might be, what his story might
I (2) what went wrong	be
So that she had to roam the streets	They said it changes when the sun goes down
She don't do major credit cards	Around here
I (3) she does receipts	Look here comes a Ford Mondeo
It's all not (4) legitimate	Isn't he Mister Inconspicuous?
And what a scummy man	And he don't have to say 'owt
Just give him half a chance	She's in the stance ready to get picked up
I bet he'll rob you if he can	Bet she's delighted when she sees him
Can see it in his eyes,	Pulling in and giving her the eye
That he's got a driving ban	Because she (8) be fucking freezing
Amongst some (5) offences	Scantily clad beneath the clear night sky
And I've seen him with girls of the night	It don't stop in the winter, no
And he told Roxanne to put on her red light	They said it changes when the sun goes down
They're all (6) but he'll be alright	Around here
Cause he's a scumbag, don't you know	They said it changes when the sun goes down
I said he's a scumbag, don't you know!	Over the river going out of town
Although you're trying not to listen	They said it changes when the sun (9) down
Avert your eyes and staring at the ground	Around here
She makes a subtle proposition	What a scummy man
"I'm sorry love I'll have to turn you down"	Just give him half a chance
He must be up to summat	I bet he'll rob you if he can
What are the chances sure it's (7) than likely	Can see it in his eyes that he's got a nasty plan
I've got a feeling in my stomach	I hope you're not (10) at all
