

Can you remember remember my name	
as I (1) through (2) life	
a thousand oceans I have flown	
and cold spirits of ice	
all my life	
I am the echo of your past	
I am (3) the echo of a point in time	
distant faces shine	
a thousand warriors I have known	
and laughing as the spirits appear	
all your life	
shadows of another day	
And if you hear me talking on the wind	
you've got to understand	
we must remain	
we must remain perfect strangers
