

You change your mind

Fill in the gaps

Like a girl changes clothes
Yeah, you PMS like a bitch
I would know
And you always think
Always speak cryptically
I should know
That you're no good for me
'Cause you're hot then you're cold
You're yes then you're no
You're in and you're out
You're up and you're down
You're (1) it's right
It's black and it's white
We fight, we break up
We kiss, we (3) up
You, you don't really wanna stay, no
You, but you don't really wanna go, oh
'Cause you're hot then you're cold
You're yes then you're no
You're in and you're out
You're up and you're down
We used to be just like twins, so in sync
The same energy now's a (4) battery
Used to laugh 'bout nothing
Now you're plain boring
I should know
That you're not gonna change
'Cause you're hot then you're cold
You're yes then you're no
You're in and you're out
You're up and you're down
You're wrong when it's right
It's black and it's white
We fight, we break up

We kiss, we make up
