

Fill in the gaps

In the flinty light, it's midnight,		And I (16)	laughing,	
And stars collide.		All (17)	lights just (18)	away.
Shadows run, in (1) flight,		I feel a little strange inside,		
To run, seek and hide.		A little Dr. Jekyll, a little Mr. Hyde.		
I'm still not sure (2) part I play,		Yeah		
In this shadow play, this shadow play.		Thoughts run wild, free as a child,		
Well, In the half-light, on (3) mad night,		Into the night.		
I hear a (4) in time.		Across the screen a (19) beam,		
Well, I look back, see a half-smile,		Of (20) light.		
Then it's gone from sight.		Tell me why things don't look the same,		
Tell me, why (5) (6)	changed,	In (21) (2		play, this shadow play,
In (7) shadow play, this shadow play,		I (23) to find my way,		
I have to (8) my way,		In this shadow play.		
In this (9) play.		I have to get away,		
Sounds come crashing,		In (24) shadow play,		
And I (10) laughing,		Well help me (25) my way,		
All (11) lights just blaze away.		In this shadow play,		
I feel a (12) (13)	inside,	Yeah		
A (14) bit of Jekyll, a little Mr. Hyde.				
Sounds (15) crashing,
