How to save a life by The Fray

Step one you say we need to talk
He walks you say sit down it's just a talk
He smiles politely back at you
You stare politely right on through
Some sort of window to your right
As he goes (1)_____ and you stay right
Between the lines of fear and blame
And you begin to wonder why you came
Where did I go wrong, I (2)_____ a friend
Somewhere along in the bitterness
And I (3)_____ have stayed up with you all night
Had I known how to save a life
Let him know that you know best
Cause after all you do know best
Try to slip past his defense
Without granting innocence
Lay down a list of what is wrong
The things you've told him all along
And pray to God he hears you
And pray to God he hears you

Where did I go wrong, I (4)_____ a friend
Somewhere along in the bitterness
And I would (5)_____ stayed up with you all night
Had I known how to save a life
As he begins to raise his voice
You lower yours and grant him one last choice
Drive until you lose the road
Or break (6)_____ the ones you've followed
He will do one of two things
He will admit to everything
Or he'll say he's just not the same
And you'll (7)_____ to wonder why you came
Where did I go wrong, I lost a friend
Somewhere along in the bitterness
And I (8)_____ have stayed up with you all night
Had I known how to save a life
How to save a life
How to save a life
