

## Fill in the gaps

Step one you say we need to talk	Where did I go wrong, I lost a friend
He walks you say sit down it's just a talk	Somewhere along in the bitterness
He (1) back at you	And I would have stayed up with you all night
You stare (3) (4) on	Had I known how to save a life
through	As he begins to raise his voice
Some sort of (5) to your right	You lower yours and (18) him one last choice
As he goes (6) and you stay right	Drive (19) you (20) the road
Between the (7) of fear and blame	Or break with the ones you've followed
And you begin to wonder why you came	He (21) do one of two things
Where did I go wrong, I lost a friend	He (22) admit to everything
Somewhere along in the bitterness	Or he'll say he's just not the same
And I (8) have stayed up with you all night	And you'll begin to (23) why you came
Had I (9) how to save a life	Where did I go wrong, I lost a friend
Let him (10) that you (11) best	Somewhere (24) in the bitterness
Cause after all you do (12) best	And I (25) have stayed up with you all night
Try to (13) past his defense	Had I known how to save a life
Without granting innocence	How to save a life
Lay down a (14) of what is wrong	How to save a life
The (15) you've told him all along	
And pray to God he hears you	
And (16) to God he (17) you
