

Fill in the gaps

Step one you say we need to talk
He walks you say sit down it's just a talk
He (1) politely back at you
You stare politely right on through
Some sort of window to your right
As he goes left and you stay right
Between the lines of fear and blame
And you begin to wonder why you came
Where did I go wrong, I lost a friend
Somewhere along in the bitterness
Comouniore along in the bitterness
And I would (2) stayed up with you all night
•
And I would (2) stayed up with you all night
And I would (2) stayed up with you all night Had I known how to save a life
And I would (2) stayed up with you all night Had I known how to save a life Let him (3) that you know best
And I would (2) stayed up with you all night Had I known how to save a life Let him (3) that you know best Cause after all you do know best
And I would (2) stayed up with you all night Had I known how to save a life Let him (3) that you know best Cause after all you do know best Try to slip past his defense
And I would (2) stayed up with you all night Had I known how to save a life Let him (3) that you know best Cause after all you do know best Try to slip past his defense Without (4) innocence
And I would (2) stayed up with you all night Had I known how to save a life Let him (3) that you know best Cause after all you do know best Try to slip past his defense Without (4) innocence Lay down a list of what is wrong

Where did I go wrong, I lost a friend
Somewhere along in the bitterness
And I would have stayed up with you all night
Had I (5) how to save a life
As he begins to (6) his voice
You lower yours and grant him one last choice
Drive until you lose the road
Or break with the ones you've followed
He will do one of two things
He will admit to everything
Or he'll say he's just not the same
And you'll begin to wonder why you came
Where did I go wrong, I (7) a friend
Somewhere along in the bitterness
And I would have stayed up with you all night
Had I (8) how to save a life
How to save a life
How to save a life
