

Fill in the gaps

Midnight,	Laying out another lie,
and I'm a-waiting	thinking 'bout a (13) of crime
on the twelve-oh-five	That's what I'll have to do
Hoping it'll take me	to keep me away from you
just a little farther down the line	Lovers, I know you've had a few
Moonlight,	But (14) your (15)
you're just a heartache in disguise;	(16) the covers
Won't you keep my (1) from breaking	and tell 'em they're the only one
if it's only for a very (2) time	And others, (17) know just
Playing (3) the queen of hearts,	what I'm going through
knowing it ain't really smart	And it's a-hard to be a lover
The joker ain't the (4) fool	when you say you're only in it for fun
who'll do anything for you	Playing (18) the queen of hearts,
Laying out (5) lie,	knowing it ain't really smart
thinking 'bout a life of crime	The (19) ain't the only fool
That's what I'll (6) to do	who'll do (20) for you
to (7) me away from you	Playing with the queen of hearts,
Honey, you (8) it makes you mad	knowing it ain't (21) smart
Why is (9) (10)	The (22) ain't the only fool
everybody	who'll do anything for you
what you (11) done	Laying out another lie,
Baby, I know it makes you sad	thinking 'bout a life of crime
But when they're (12) out the heartaches	That's what I'll have to do
you know you got to have you some	to keep me (23) from you
Playing with the queen of hearts,	Playing (24) the (25) of hearts
knowing it ain't really smart	(repeat and fade)
The joker ain't the only fool	
who'll do anything for you
