

Just A Kiss by Lady Antebellum

...

Lying here with you so close to me

It's hard to fight these feelings

when it feels so hard to breathe

Caught up in this moment

Caught up in your smile

I never open up to anyone

So hard to hold back

when I'm holding you in my arms

We don't need to rush this

Let's just take it slow

Just a kiss on your lips in the moonlight

Just a touch of the fire burning so bright

I don't want to (1)_____ this thing up

I don't want to push too far

Just a shot in the dark that you just might

be the one I've been waiting for my whole life

So baby I'm alright (2)_____ just a kiss goodnight

I know that if we give this a little time

it'll (3)_____ (4)_____ us closer to the love we
wanna find

It's never felt so real

No it's never (5)_____ so right

Just a kiss on your lips in the moonlight

Just a touch of the fire (6)_____ so bright

I don't want to (7)_____ this thing up

I don't want to push too far

Just a shot in the dark that you just might

be the one I've been waiting for my whole life

So baby I'm alright with just a kiss goodnight

No I don't want say goodnight

I know it's time leave but you'll be in my dreams

Tonight

Tonight

Tonight

Just a kiss on (8)_____ lips in the moonlight

Just a touch of the fire burning so bright

I don't want to mess this thing up

I don't (9)_____ to push too far

Just a shot in the dark that you just might

be the one I've been waiting for my whole life

So baby I'm alright with just a kiss goodnight

Let's do this right with just a kiss goodnight

With a kiss goodnight

A kiss goodnight

Answer

Fill in the gaps
