## Just A Kiss by Lady Antebellum

## Fill in the gaps

···	Just a touch of the fire burning so bright
Lying here with you so close to me	I don't (6) to mess this thing up
It's hard to fight these feelings	I don't want to push too far
when it feels so hard to breathe	Just a shot in the dark that you just might
Caught up in this moment	be the one I've been waiting for my whole life
Caught up in your smile	So baby I'm alright with just a kiss goodnight
I never open up to anyone	No I don't want say goodnight
So hard to hold back	I know it's time (7) but (8)
when I'm holding you in my arms	be in my dreams
We don't need to rush this	Tonight
Let's just take it slow	Tonight
Just a kiss on your lips in the moonlight	Tonight
Just a touch of the fire burning so bright	Just a kiss on your lips in the moonlight
I don't want to mess this thing up	Just a touch of the fire burning so bright
I don't want to (1) too far	I don't want to mess this thing up
Just a shot in the dark that you just might	I don't want to push too far
be the one I've been waiting for my whole life	Just a shot in the dark that you just might
So baby I'm alright with just a kiss goodnight	be the one (9) been (10)
I know that if we (2) this a little time	for my whole life
it'll only (3) us (4) to the love we	So baby I'm alright with just a kiss goodnight
wanna find	Let's do this right with just a kiss goodnight
It's never felt so real	With a kiss goodnight
No it's never felt so right	A kiss goodnight
