

## Fill in the gaps

I (1) see the meaning of (2) life i'm leading,
I try to forget you as you forgot me
this (3) there is (4) left for you to take, this is goodbye
Summer is miles and miles away, and no one would ask me to stay
And I, should contemplate this change to ease the pain.
And I, should step out of the rain, turn away.
Close to ending it all I am drifting through the (5) of the rapture
born within this loss Thoughts of death inside, tear me apart from the core of my soul
Summer is miles and miles away, and no one would ask me to stay
Summer is miles and miles away, and no one would ask me to stay  And I, should (6) change, to ease the pain
And I, should (6) change, to ease the pain
And I, should (6) (7) change, to ease the pain And I, should step out of the rain, turn away.
And I, should (6) (7) change, to ease the pain And I, should step out of the rain, turn away.  At times, the dark's fading slowly, but it never sustains.
And I, should (6) (7) change, to ease the pain And I, should step out of the rain, turn away.  At times, the dark's fading slowly, but it never sustains.  Would someone watch over me, In my time of need.
And I, should (6) (7) change, to ease the pain.  And I, should step out of the rain, turn away.  At times, the dark's fading slowly, but it never sustains.  Would someone watch over me, In my time of need.  Summer is miles and (8) away, and no one would ask me to stay
And I, should (6) (7) change, to ease the pain And I, should step out of the rain, turn away.  At times, the dark's fading slowly, but it never sustains.  Would someone watch over me, In my time of need.  Summer is miles and (8) away, and no one would ask me to stay  And I, should contemplate this change, to ease the pain.
