That shines to light the way for me

Fill in the gaps

Away From The Sun by Three Doors Down

It's down to this
I've got to make this (1) make sense
Can (2) what I've done
I missed a life
I missed the (4) of the world
Can anyone (5) where I am
'Cause now (6) I found myself so far down
Away (7) the sun that shines (8) the darkest place
I'm so far (9) away from the sun again
Away from the sun again
I'm over there
I'm tired of living in the dark
Can anyone see me down here
The feeling's (10)
There's nothing left to lift me up
Back into the world I (11)
'Cause now (12) I found myself so far down
Away from the sun (13) (14) onto the (15) (16)
I'm so far down away (17) the sun
That shines to light the way for me
To find my way (18) the (20)
And (21) the ones (23) me
I'm so far (24) away from the sun again
It's down in (25)
I've got to (26) this (27) make sense
Now I can't tell what I'm (28)
Now again I found myself away from the sun
