SUB inglés

I took advantage of a golden opportunity

Fill in the gaps

You Don't Say Us Anymore by Robin Gibb

Giving you an ultimatum	But you don't see me (12)	_ (no you don't)
Try to (1) out why you	I stand alone (no you don't)	
Act the way you do ,avoiding me	Your head is full of illusions	
And (2) to keep your distance	Your (13) is stone	
Saw (3) image in a photograph	(You don't say us , you don't say us)	
Couldn't cry so I had to laugh	Soon , when the night is young	
And the jealousy that I felt inside	I'll be old and gone	
Gave way to pure frustration	All because I'm down	
And you don't (4) me (5) your sexy	(You don't say us , you don't say us)	
innuendos	(break)	
And all the secrets you hide	And you don't fool me with your (14)	innuendos
You find adventure when your sleeping	And all the secrets you hide	
in a brave new world	You find adventure when your	
But you don't see me anymore (no you don't)	sleeping in a brave new world	
I stand alone (no you don't)	But you don't see me (15)	_ (no you don't)
Your (6) is full of illusions	I stand alone (no you don't)	
Your heart is stone	Your head is full of illusions	
But you don't say us anymore (no you don't)	Your heart is stone	
And the light is (7) (no you don't)	(You don't say us , you don't say us)	
No you don't say us anymore , anymore	Come , (16) me like before	
(You don't say us , you don't say us)	Do the things you (17) to do	
Like the devil in the (8) blue sea	What I (18) before	
Gotta have you and must be free	(You don't say us , you don't say us)	
And all you do is torture me	But you don't see me (19)	_ (no you don't)
and question what I (9) for	I stand (20) (no you don't)	
I'm a victim of circumstance	Your head is full of illusions	
Just like in modern romance	Your heart is stone	
And in my situation we go	(You don't say us , you don't say us)	
straight to a hotel room	Come , hold me like before	
And we take our chances	Do the things you used to do	
And when I met you ,	What I asked before	
you were standin' in the moonlight		
And (10) defences (11) down
