I took advantage of a golden opportunity

### Fill in the gaps

#### You Don't Say Us Anymore by Robin Gibb

Giving you an ultimatum	But you don't see me anymore (no you don't)
Try to figure out why you	I (7) alone (no you don't)
Act the way you do ,avoiding me	Your head is full of illusions
And trying to keep your distance	Your heart is stone
Saw your image in a photograph	(You don't say us , you don't say us )
Couldn't cry so I had to laugh	Soon , when the night is young
And the jealousy that I felt inside	I'll be old and gone
Gave way to (1) frustration	All because I'm down
And you don't fool me with (2) sexy innuendos	(You don't say us , you don't say us )
And all the secrets you hide	(break)
You find adventure when your sleeping	And you don't fool me with your sexy innuendos
in a (3) new world	And all the secrets you hide
But you don't see me anymore (no you don't)	You (8) adventure when your
I stand alone (no you don't)	sleeping in a brave new world
Your head is full of illusions	But you don't see me anymore (no you don't)
Your heart is stone	I stand alone (no you don't)
But you don't say us anymore (no you don't)	Your head is full of illusions
And the light is gone (no you don't)	Your heart is stone
No you don't say us anymore , anymore	(You don't say us , you don't say us )
(You don't say us , you don't say us)	Come , (9) me like before
Like the devil in the deep (4) sea	Do the things you need to do
Gotta have you and must be free	What I asked before
And all you do is torture me	(You don't say us , you don't say us )
and question what I stand for	But you don't see me anymore (no you don't)
I'm a victim of circumstance	I stand alone (no you don't)
Just (5) in modern romance	Your head is full of illusions
And in my situation we go	Your heart is stone
straight to a hotel room	(You don't say us , you don't say us )
And we take our chances	Come , hold me like before
And when I met you ,	Do the (10) you used to do
you were standin' in the moonlight	What I asked before
And (6) defences were down	

#### 1. pure

- 2. your
- 3. brave
- 4. blue
- 5. like
- 6. your
- 7. stand
- 8. find
- 9. hold
- 10. things
