

## Fill in the gaps

I steal the night away	juliet, on juliet
drivin' my life away, dancin'	you know you (10) me to fly
I was a romeo	you take me clear to the sky
I knew the art of romancin'	and all the (11) around the (12)
I was just one of the guys	can stand aside
and I thought I had it made	close (13) eyes, juliet, don't let go
I needed (1) to (2) me how to	On and on, our (14) is (15) the sun
love	it (16) (17) strong
juliet oh juliet	(18) eternity
the night was (3) when we first met	I (19) love you in my life, sweet juliet
juliet, oh juliet	livin' (20) you in my life, oh my girl juliet
you know you taught me to fly	juliet, oh juliet
you take me (4) to the sky	this (21) of lovin' you don't forget
and all the people (5) the world can stand	juliet, oh juliet
aside	you know you taught me to fly
for me and my baby, juliet	you (22) me (23) to the sky
fighting with destiny, fortune and (6) but kept losing	and all the (24) around the world can stand
playin' a joker's game,	aside
only (7) I was foolin'	Juliet, oh juliet
I was an average guy in a world of empty dreams	this kind of lovin' you don't forget
you've broken (8) all the walls with your love	juliet, oh juliet, ah
juliet, oh juliet	juliet, oh juliet
this (9) of lovin' you don't forget
