

She (1)_____ like she knew nothing lasts

Fill in the gaps

Didn't care to look lika anyone else
And she was beautiful, so beautiful
I still hear her laugh like she's here
Shower it down on all the young
It isn't so wrong to have such fun
Forever angel
I hope they (2) you like we do
Forever angel
I'll be proud to be like you
Be like you
(I'll be proud to be like you)
Does the sun shine up at you when you're looking down
Do you get along with the others around
It's got to be better than before
You don't need to worry now you're gone
Forever angel
I hope they love you like we do
Forever angel
I'll be (3) to be (4) you

Be like you
Just (5) you
And when I go to sleep at night
I'll thank you for each blessed thing surrounding me
For every fall I'll ever break
Each moment's breath I (6) taste
Confidence and conscience
Decadent extravagance
Never ending providence
For (7) when I had the chance
For (7) when that the chance
Angel
Angel
Angel I hope they love you like we do
Angel I hope they love you like we do Forever angel
Angel I hope they love you like we do Forever angel I'll be proud to be like you
Angel I hope they love you like we do Forever angel I'll be proud to be like you Forever angel
