

## Fill in the gaps

Go on	Although I'm not asleep
Go on	And I never (17) to wake up
Leave me breathless	Don't (18) it
Come on	Don't (19) it
Yeah	So go on, go on,
The daylight's (1) slowly	Come on (20) me breathless
But (2) (3) you is	Tempt me, tease me,
(4) still	Until I can't deny this (21) feeling
I'm waiting for you only	Make me (22) for your kiss
The slightest (5) and I feel weak	Go on, go on, yeah
I (6) lie	Come on
From you I (7) hide	And I can't lie
And I'm (8) the will to try	From you I cannot hide
Can't (9) it	And I've (23) my (24) to try
Can't fight it	Can't hide it
So go on, go on,	Can't fight it
Come on leave me breathless	So go on, Go on,
Tempt me, tease me,	Come on leave me breathless
Until I can't deny (10) loving feeling	Tempt me, tease me,
Make me long for your kiss	Until I can't deny (25) lovin' feeling
Go on, go on, yeah	Make me long for your kiss
Come on	Go on, go on, come on leave me breathless
And if there's no tomorrow	Go on, go on, (26) on leave me breathless
And all we have is (11) and now	Go on, go on, come on (27) me breathless
I'm (12) to (14) you	Go on, go on
and	
You're all the (15) I (16) somehow	
It's like a dream
