Beautiful Day by Axel Rudi Pell

See the tuna fleets clearing the sea out

Fill in the gaps

The heart is a bloom, shoots up through the stony ground		See the Bedouin fires at night	
But there's no room, no space to rent in this town		See the oil fields at (8)	light and
You're out of luck and the	(1) that you had to	See the bird with a leaf in h	er mouth
care		After the flood all the colours came out	
The traffic is stuck and you	u're not moving anywhere	It's a beautiful day	
You (2)	that you'd found a friend to take	The sky falls and you feel like	
you out of this place		It's a beautiful day	
Someone you could (3) a hand in return for grace		Don't let it get away	
It's a beautiful day		Touch me, take me to the other place	
The sky falls and you feel like		Teach me, I know I'm not a hopeless case	
It's a beautiful day		What you don't have you don't need it now	
Don't let it get away		What you don't know you can feel it somehow	
You're on the road but you've got no destination		What you don't have you don't need it now	
You're in the mud, in the maze of her imagination		Need it now	
You love this (4)	even if that doesn't ring true	It's a beautiful day	
You've been all over and it's been all over you		The sky falls and you feel like	
It's a (5)	day	It's a (9)	day
The sky falls and you feel like		Don't let it get away	
It's a beautiful day		Touch me, take me to the other place	
Don't let it get away		It's a beautiful day	
Touch me, take me to the other place		Don't let it get away	
Teach me, I know I'm not a	a hopeless case		
See the world in green and	d blue		
See (6) right	in front of you		
See the canyons (7)	by cloud
